November 2012 Stockholder Proxy Instructions

If the name of the appointee is not filled in, the instrument of proxy will be deemed to be given in favor of the Chairperson of the meeting to which it relates. If you do not allocate preferences for voting, the Chairperson will exercise his discretion in casting your vote as proxy. If, however, you allocate preferences above, the Chairperson will cast your vote in accordance with those preferences. Please see the notes below in relation to allocating your preferences

Check the relevant boxes if you wish to direct the proxy how to vote. If no check is made, the proxy may vote on the resolution or abstain from voting as the proxy thinks fit. With respect to the election of directors, you are entitled to cast as many votes per share as there are vacancies for directors' positions in your stockholder class. For example, a holder of one share of Common Stock may cast one vote for each of up to three General Director candidates by checking the box next to the name of each candidate.

Signing the Form

The person registered as a stockholder must sign the proxy form personally or by a duly appointed attorney or agent. If a proxy is given by a corporation, a form of proxy must be executed by the person who is that stockholder's nominee on the Company's stockholder list. Proxy Statement for Annual Meeting of Stockholders
To Be Held November 9, 2012, 10:00 a.m. Pacific Time
Mizpah Hotel, 100 Main Street, Tonopah, NV 89049

Unless the context requires otherwise, references in this statement to “Tonogold Resources”, “Tonogold”, the “Company”, “we”, “us”, or “our” refer to Tonogold Resources, Inc.

The Annual Meeting of Stockholders of Tonogold Resources (the “Annual Meeting”) will be held on November 9, 2012, at the Mizpah Hotel, 100 Main Street, Tonopah, NV 89049, at 10:00 a.m. Pacific Time.

We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company’s Board of Directors (the “Board”) of proxies for this Annual Meeting. The Company anticipates that this Proxy Statement and the form of proxy will first be available to holders of the Company’s stock (the “Common Shares”) on or about October 15, 2012. A notice of the availability of this Proxy Statement and the form of proxy will first be mailed to holders of the Company’s common stock on or about this date.

You are invited to attend the Annual Meeting at the above stated time and location. If you plan to attend and your shares are held in “street name”— in an account with a bank, broker, or other nominee – you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing a proxy card online, completing and returning a proxy card provided to you by mail or email or, if you hold shares in “street name”, by completing the voting form provided by the broker, bank or other nominee.

A returned signed proxy card without an indication of how shares should be voted will be voted FOR the resolution approving and ratifying the minutes of the last meeting of the stockholders and FOR the election of all Director nominees.

Our corporate bylaws define a quorum as one third (1/3) of the issued and outstanding voting stock present in person or by proxy. The Company’s Articles of Incorporation do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on September 28, 2012 and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Jeffrey Janda, Chairman and President of the Company and Brian Zamudio, Vice President and Corporate Secretary of the Company, as your representatives at the Annual Meeting. As your representatives, they will vote your shares at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representatives will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed September 28, 2012, as the record date for the Annual Meeting. Only holders of Tonogold Resources voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of the record date of September 28, 2012, the Company had 107,853,126 shares of Common Stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

1. Approval and ratification of the minutes of the prior meeting of the Stockholders;
2. The election of the nominees to the Company's Board of Directors to serve until the Company's 2013 Annual Meeting of Stockholders or until successors are duly elected and qualified; the following are nominees for election as Directors: Jeffrey Janda, Brian Zamudio, and Donald Strachan; and
3. Any other business that may properly come before the meeting.

How many votes do I get?

Each share of Common Stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote FOR the approval and ratification of the minutes of the prior meeting of the stockholders and FOR each of the nominees to the Board.

How do I vote?

You have several voting options. You may vote by:

- Completing your proxy card over the internet at the website and with details as provided in the enclosed online voting instructions;
- Downloading or requesting a proxy card (as detailed below), signing your proxy card and mailing it to the attention of: Brian Zamudio, Corporate Secretary, at Tonogold Resources, Inc., 5666 La Jolla Boulevard, Suite 315, La Jolla, California 92037;
- Signing and faxing your proxy card to our Corporate Secretary for proxy voting at the number provided on the proxy card or signing and emailing a scanned Portable Document Format (PDF) file to our Corporate Secretary at the email address provided on the proxy card; or
- Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

The Company will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

What if I want a paper copy of these proxy materials?

Please send a written request to our offices at the address below, email us at info@tonogold.com or call us at +1 (858) 456-1273 to request a paper copy of the proxy materials. Send requests to: Tonogold Resources, Inc., 5666 La Jolla Boulevard, Suite 315, La Jolla, CA 92037, Attention: Brian Zamudio, Corporate Secretary.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- Signing another proxy with a later date and mailing it to the attention of: Brian Zamudio, Corporate Secretary, Tonogold Resources, Inc., 5666 La Jolla Boulevard, Suite 315, La Jolla, CA 92037, so long as it is received prior to 5:00 p.m., Pacific Time, on November 5, 2012 or
- Voting in person at the Annual Meeting.

Beneficial stockholders should refer to the instructions received from their stockbroker or the registered holder of the shares if they wish to change their vote.

How many votes do you need to hold the meeting?

To conduct the Annual Meeting, the Company must have a quorum, which means that a third of the outstanding voting shares of the Company as of the record date must be present at the Annual Meeting. Based on 107,853,126 voting shares outstanding as of the record date, 35,951,042 shares must be represented at the Annual Meeting, in person or by proxy, for there to be a quorum. Your shares will be counted as present at the Annual Meeting if you:

- Submit a properly executed proxy card (even if you do not provide voting instructions) or
- Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. Since the Company's bylaws state that matters presented at a meeting of the stockholders must be approved by the majority of the voting power of the voting shares present at the meeting, a properly executed proxy card marked ABSTAIN with respect to a proposal will have the same effect as voting AGAINST that proposal. However, as described below, election of directors is by a plurality of the votes cast at the meeting. A properly executed proxy card marked WITHHELD with respect to the election of directors will not be voted and will not count FOR any of the nominees for which the vote was withheld.

What effect does a broker non-vote have?

Brokers and other intermediaries, holding shares in street name for their customers, are generally required to vote the shares in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares on routine matters, but not on non-routine matters. Since the election of directors under this Proxy Statement is uncontested, the election of directors is considered a non-routine matter and brokers may not vote shares held in street name for their customers in relation to this item of business.

The absence of a vote on a non-routine matter is referred to as a broker non-vote. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes cast for the election of directors.

How many votes are needed to elect directors?

The nominees for election as directors at the Annual Meeting will be elected by a plurality of the votes cast at the meeting. The nominees with the most votes will be elected. A properly executed proxy card marked WITHHELD with respect to the election of directors will not be voted and will not count FOR or AGAINST any of the nominees for which the vote was withheld.

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares. Otherwise your shares will not be voted at the meeting. See “What effect does a broker non-vote have?” above for a discussion of the matters on which your brokerage firm may vote your shares.

If your shares are registered in your name and you do not complete your proxy card over the internet or sign and return your proxy card, your shares will not be voted at the meeting.

Where can I find the voting results of the meeting?

The Company will publish the final results in a current report available on the Company’s website at <http://www.tonogold.com> within four (4) business days of the Annual Meeting.

Who will pay for the costs of soliciting proxies?

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the meeting as possible, the Company’s directors, officers and employees may solicit proxies by telephone or in person in some circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse

brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Shares on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

When are stockholder proposals due for the 2013 Annual Meeting of Stockholders?

To be considered for inclusion in next year's 2013 proxy statement, stockholder proposals must be submitted in writing to the Company's Secretary, Brian Zamudio, at Tonogold Resources, Inc., 5666 La Jolla Boulevard, Suite 315, La Jolla, CA 92037, and received no later than 120 calendar days before the anniversary of the release date of this proxy statement to stockholders (prior to May 31, 2013), provided that this date may be changed in the event that the date of the annual meeting of stockholders to be held in calendar year 2013 is changed by more than 30 days from the date of the annual meeting of stockholders held in calendar year 2012. Such proposals will be required to comply with the requirements as to form and substance established by the SEC if such proposals are to be included in our proxy statement and form of proxy.

Similarly, stockholder proposals not submitted for inclusion in the proxy statement and received after the date 45 calendar days prior to the release date of this proxy statement to stockholders (prior to August 7, 2013) will be considered untimely pursuant to Rule 14a-5(e)(2) of the Securities and Exchange Act of 1934, provided this date may be changed if the date of the annual meeting of stockholders to be held calendar year 2013 is changed by more than 30 days from the date of the annual meeting of stockholders held in calendar year 2012.

How can I obtain a copy of the 2011 Annual Report?

The Company's 2011 Annual Report, including financial statements, is available on the internet with this proxy statement at <http://www.tonogold.com/s/AnnualReports.asp>.

At the written request of any stockholder who owns shares of Common Stock on the Record Date, the Company will provide to such stockholder, without charge, a paper copy of the Company's 2011 Annual Report, including the financial statements.

Requests for additional paper copies of the 2011 Annual Report should be mailed to: Tonogold Resources, Inc., 5666 La Jolla Boulevard, Suite 315, La Jolla, CA 92037, Attention: Brian Zamudio, Corporate Secretary.

PROPOSAL 1 — APPROVAL OF THE MINUTES

The minutes of the prior meeting of the shareholders are attached as Exhibit A to this proxy statement and reflect the business of the 2011 Annual Meeting of Stockholders of the Company.

The Board recommends a vote FOR the approval of the minutes of the 2011 Annual Meeting of Stockholders. All proxies executed and returned without an indication of how shares should be

voted will be voted FOR the approval of the minutes of the 2011 Annual Meeting of Stockholders.

Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the Stockholders of Tonogold Resources, Inc., hereby approve and ratify the minutes of the 2011 Annual Meeting of the Stockholders of Tonogold Resources, Inc., as such minutes were presented at the 2012 Annual Meeting of the Shareholders and that the Corporate Secretary be instructed to insert a copy thereof into the minute book of the Company.”

How are nominees elected?

Considering these factors, the Company has determined that the current, three director, board structure without committees is currently the most appropriate Board leadership structure for our company. The Board noted the following factors in reaching its determination:

- The Board acts efficiently and effectively under its current structure.

- A structure of a combined Chairman/Chief Executive Officer is in the best position to be aware of major issues facing the company on a day-to-day and long-term basis and is in the best position to identify key risks and developments facing the Company to be brought to the Board's attention.
- This structure eliminates the potential for confusion and duplication of efforts, including among employees.
- Companies within the Company's peer group utilize similar Board structures.

The Board of Director's Role in Risk Management Oversight

The understanding, identification and management of risk are essential elements for the successful management of the Company. Risk oversight responsibility rests with the Board of Directors. Based on a review of the nature of the Company's operations, we do not believe that any areas of the Company are incented to take excessive risks that would likely have a material adverse effect on our operations.
