Proxy Statement for Annual Meeting of Stockholders
To Be Held September 24th, 2018, at 11.30 a.m. Pacific Time
Gold Hill Hotel, Virginia City, Nevada,

Unless the context requires otherwise, references in this statement to “Tonogold Resources”, “Tonogold”, the “Company”, “we”, “us”, or “our” refer to Tonogold Resources, Inc.

The Annual Meeting of Stockholders of Tonogold Resources (the “Annual Meeting”) will be held on September 24th, 2018 at the Gold Hill Hotel, Virginia City, Nevada, at 11:30 a.m. Pacific Time.

We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company’s Board of Directors (the “Board”) of proxies for this Annual Meeting. The Company anticipates that this Proxy Statement and the form of proxy will first be available to holders of the Company’s stock (the “Common Shares”) on or about August 9th, 2018. A notice of the availability of this Proxy Statement and the form of proxy will first be mailed to holders of the Company’s common stock on or about this date.

You are invited to attend the Annual Meeting at the above stated time and location. If you plan to attend and your shares are held in “street name”— in an account with a bank, broker, or other nominee – you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing a proxy card online, completing and returning a proxy card provided to you by mail or email or, if you hold shares in “street name”, by completing the voting form provided by the broker, bank or other nominee.

A returned signed proxy card without an indication of how shares should be voted will be voted FOR the resolution approving and ratifying the minutes of the last meeting of the stockholders.

Our corporate bylaws define a quorum as twenty percent (20%) of the issued and outstanding voting stock present in person or by proxy.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on August 9th, 2018 and are entitled to vote at the Annual Meeting. This document describes issues on which the Company would like you, as a stockholder, to vote so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Mark Ashley, Travis Miller, and Brian Zamudio as your representatives at the Annual Meeting. As your representatives, they will vote your shares at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representatives will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed August 9th, 2018 as the record date for the Annual Meeting. Only holders of Tonogold Resources voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of the record date of August 9th, 2018, the Company had 123,459,290 shares of Common Stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

1. Approve and ratify the minutes of the last meeting of shareholders;
2. The election of the nominees to the Company's Board of Directors to serve until the Company's 2019 Annual Meeting of Stockholders or until successors are duly elected and qualified; the following are nominees for election as Directors: Mark Ashley, Robert Kopple, Gustavo Mazon, Travis Miller, Jordan Moelis, and Brian Zamudio;
3. Approve an increase in the number of authorized shares from two hundred million (200,000,000) to seven hundred million (700,000,000); and
4. Any other business that may properly come before the meeting.

How many votes do I get?

Each share of Common Stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon. The Board recommends a vote FOR the approval and ratification of the minutes of the prior meeting of the stockholders.

How do I vote?

You have several voting options. You may vote by:

- Completing your proxy card over the internet at the website and with details as provided in the enclosed online voting instructions;
- Downloading or requesting a proxy card (as detailed below), signing your proxy card and mailing it to the attention of: Brian Zamudio, Corporate Secretary, at Tonogold Resources, Inc., 5666 La Jolla Boulevard, #315, La Jolla, California 92037;
- Signing and faxing your proxy card to our Corporate Secretary for proxy voting at the number provided on the proxy card or signing and emailing a scanned Portable Document Format (PDF) file to our Corporate Secretary at the email address provided on the proxy card; or
- Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a "street name" and these proxy materials are being forwarded to you by that organization. The organization holding

your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

The Company will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

What if I want a paper copy of these proxy materials?

Please send a written request to our offices at the address below, email us at info@tonogold.com or call us at +1 (858) 456-1273 to request a paper copy of the proxy materials. Send requests to: Tonogold Resources, Inc., 5666 La Jolla Boulevard, #315, La Jolla, CA 92037, Attention: Brian Zamudio, Corporate Secretary.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- Signing another proxy with a later date and mailing it to the attention of: Brian Zamudio, Corporate Secretary, Tonogold Resources, Inc., 5666 La Jolla Boulevard, #315, La Jolla, CA 92037, so long as it is received prior to 5:00 p.m., Pacific Time, on September 21, 2018 or
- Voting in person at the Annual Meeting.

Beneficial stockholders should refer to the instructions received from their stockbroker or the registered holder of the shares if they wish to change their vote.

How many votes do you need to hold the meeting?

To conduct the Annual Meeting, the Company must have a quorum, which means that a third of the outstanding voting shares of the Company as of the record date must be present at the Annual Meeting. Based on 123,459,290 voting shares outstanding as of the record date, 24,691,858 shares must be represented at the Annual Meeting, in person or by proxy, for there to be a quorum. Your shares will be counted as present at the Annual Meeting if you:

- Submit a properly executed proxy card (even if you do not provide voting instructions) or
- Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. Since the Company's bylaws state that matters presented at a meeting of the stockholders must be approved by the majority of the voting power of the voting shares present at the meeting, a properly executed proxy card marked ABSTAIN with respect to a proposal will have the same effect as voting AGAINST that proposal. However, as described below, election of directors is by a plurality of the votes cast at the meeting. A properly executed proxy card marked WITHHELD with respect to the election of directors will not be voted and will not count FOR any of the nominees for which the vote was withheld.

What effect does a broker non-vote have?

Brokers and other intermediaries, holding shares in street name for their customers, are generally required to vote the shares in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares on routine matters, but not on non-routine matters. Since the election of directors under this Proxy Statement is uncontested, the election of directors is considered a non-routine matter and brokers may not vote shares held in street name for customers in relation to this item of business. The absence of a vote on a non-routine matter is referred to as a broker non-vote. Shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of directors, except to the extent that the failure to vote for an individual, results in another individual receiving a larger proportion of votes cast for the election of directors.

How many votes are needed to elect directors?

The nominees for election as directors at the Annual Meeting will be elected by a plurality of the votes cast at the meeting. The nominees with the most votes will be elected. A properly executed proxy card marked WITHHELD with respect to the election of directors will not be voted and will not count FOR or AGAINST any of the nominees for which the vote was withheld.

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares. Otherwise your shares will not be voted at the meeting. See “What effect does a broker non-vote have?” above for a discussion of the matters on which your brokerage firm may vote your shares. If your shares are registered in your name and you do not complete your proxy card over the internet or sign and return your proxy card, your shares will not be voted at the meeting.

Where can I find the voting results of the meeting?

The Company will publish the final results in a current report available on the Company’s website at <http://www.tonogold.com> shortly after the Annual Meeting.

Who will pay for the costs of soliciting proxies?

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the meeting as possible, the Company’s directors, officers and employees may solicit proxies by telephone or in person in some circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company’s Common Shares on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

PROPOSAL 1 — APPROVAL OF THE MINUTES

The minutes of the prior meeting of the shareholders are attached as Exhibit A to this proxy statement and reflect the business of the prior Annual Meeting of Stockholders of the Company.

The Board recommends a vote FOR the approval of the minutes of the prior Annual Meeting of Stockholders. All proxies executed and returned without an indication of how shares should be voted will be voted FOR the approval of the minutes of the prior Annual Meeting of Stockholders. Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the Stockholders of Tonogold Resources, Inc., hereby approve and ratify the minutes of the prior Annual Meeting of the Stockholders of Tonogold Resources, Inc., as such minutes were presented at the Annual Meeting of the Shareholders and that the Corporate Secretary be instructed to insert a copy thereof into the minute book of the Company.”
